

**NEED AIRCRAFT
STORAGE/RETURN TO SERVICE
AND FREE* DISASSEMBLY –
IMMEDIATELY?
YOU'VE FOUND IT.**

Willis Lease has *immediate* space available
at Teesside International Airport in the UK.

We can also provide EASA and FAA Part 145 approved
maintenance services for aircraft, as well as CAMO and
Part 145 engine services, via our other UK subsidiary –
Willis Asset Management.

You can count on Willis Lease – pioneering customer-driven
aviation solutions for over 30 years – to meet your
aircraft storage, teardown and maintenance needs as well.

For inquiries and to reserve your space now,
please email gfailler@willislease.com
or call +1 561.413.0061

**Free disassembly combined with other services*
