# Willis Lease Finance Corporation Reports Record Quarterly Pre-tax Profit of \$27.8 million

**COCONUT CREEK, FL** — **May 6, 2019** — Willis Lease Finance Corporation (NASDAQ: WLFC) today reported pre-tax profit of \$27.8 million and total revenues of \$103.8 million in the first quarter of 2019. The Company's first quarter 2019 pre-tax results were driven by continued revenue growth in the core leasing business, an increase in trading activity and continuing spare parts sales. Aggregate lease rent and maintenance reserve revenues were \$73.7 million for the first quarter of 2019.

"Our continued growth and the Company's record quarterly revenue and pre-tax profits of \$103.8 million and \$27.8 million, respectively, speak to the market's recognition of the value of the Willis Platform," said Charles F. Willis, Chairman and CEO. "We continue to see a global client base leveraging our broad product offering of core lease services, materials, fleet transition solutions, asset management and materials services."

"We are very pleased with our growth and financial results in the first quarter," said Brian R. Hole, President. "We are even more excited, though, that our customers continue to subscribe to our message that it is more efficient to borrow an engine from us when they need it than it is to buy multiple new engines and deploy permanent capital in assets that are, by definition, 'spare'."
